

Every week Talking Times listeners receive a USB memory stick in a wallet similar to the one shown above.

To return the stick and receive further issues, reverse the label in the clear pocket so it shows the return address for the Talking Times and pop it in a post box. No stamp is needed.

Fakenham Talking Times

Helping blind, partially sighted and print disabled people

How to use the Sovereign memory stick player and how to return the weekly memory sticks

To contact us, leave a message on our answerphone number

01328 887507 or put a message (with your name) in the returning wallet – see back page
